IGNATIA AMARA

Flushes of heat with numbness in various parts and general nervousness. There is a sensation of a ball in the throat which is relieved on swallowing. A hysteric woman who becomes senseless as a result of brooding on injured self-respect when alone.

COLIC (ABDOMINAL)**BELLADONNA**

All kinds of nerve-pains which increase gradually and decline suddenly. It may also accompany any kind of inflammatory pain too with fever.

CEDRON

Neuralgias coming at strictly fixed hours. It may also accompany intermittent fevers with general shivering and coldness of the nose—tip coming strictly at fixed hours.

CHAMOMILLA

Severe neuralgic unbearable pains in stomach or anywhere. The patient is cross, irritable, impatient, restless, snappish and uncivil due to pain.

COLOCYNTH

Abdominal colic, left sided sciatica, right sided neuralgic pain in the thigh sockets, ovarian neuralgia all relieved by hard pressure and warm applications. Sharp abdominal colic which compels the patient to bend double.

DIOSCOREA VILLOSA

Violent agonizing abdominal colic radiating all over the body, worst on bending double and pressure, relieved by stretching, bending backwards and walking. It may accompany rumbling flatulence in bowels.

MAGNESIA CARBONICA

s Colic and green stools of pale sickly children who vomit undigested milk which causes pain. Mouth ulcerated.

MAGNESIA PHOSPHORICUM

All kinds of darting, spasmodic pains relieved by pressure and warm applications.

PLUMBUM

Horrible griping in abdomen as if muscles are being drawn from back. Pain radiated all round following nerve-courses, with obstinate constipation. Disease in persons working with lead.

STANNUM METALLICUM

Neuralgic pain increasing and decreasing gradually. It also decreases with hard pressure. The pain may be a nervous one as well as due to worms in intestines or in rectum.

CINA

Flatulent colic due to worms in intestines. Sickly pale face, darkness under the eyes, gritting of teeth at night, pricking and rubbing of nose, jerking of hands and feet and a cross, nervous and peevish temper.

VERATRUM ALBUM

Abdominal Colic with a state of collapse-blueness and coldness of the whole body, cold sweat on the forehead, rumbling in abdomen and accumulation of water in mouth. Symptoms of cholera.

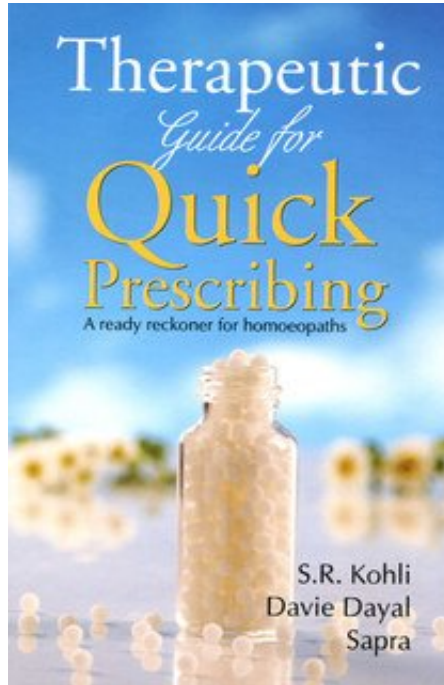

IRIS VERSICOLOR

Flatulent colic with excessive acidic vomiting with burning twisting and distress in abdomen over liver, symptoms of cholera.

COMA

HYOSCYAMUS NIGER

Coma vigil with muttering. There is deep coma with constant picking of bed clothes, nose or face. Lower jaw hangs down. Patient moves the mouth as if eating some-
