DISEASES:

had the appearance of coffee-grounds. Has suffered from vomiting or indigestion more or less for fourteen years, has seen many doctors and taken much medicine without avail. Ferrum Phos 6, Natrum Phos 6, in usual quantities, a tablespoonful every two hours alternately. After a fortnight, free from vomiting, had little pains and felt greatly better. After continuing another ten days with same remedies, become quite well. No recurrence nearly two years. Cure permanent.

Ailing for thirteen years; much emaciation; continual vomiting when food was taken. Severe pain in stomach, also in umbilical region. Very depressed condition. Was advised, as a last resort, surgical operation. Diagnosis; chronic gastric ulceration. Sclerotic condition of the pre-aortic lymphatic nodes and vessels in umbilical region. Ferrum Phos, Kali Phos and intercurrently Calcarea Fluor. A non-irritating and fat-free diet was maintained. Condition at end of treatment lasting about ten weeks—no pain in stomach or umbilical region; sclerotic condition softened; abdominal pulsations hardly perceptible; emaciation rapidly disappearing. ACIDITY, HEARTBURN. ACIDITY, Natrum Phos low (6x, 12x). Acute, Natrum Phos 3x. Chronic (and indigestion), Natrum Phos 12x, 24x, 30x.
